Comment:
Classic corridor-style dorm right by campus. Seasonal A/C helps in hotter months, and having multiple elevators keeps move-in/out sane. Shared bathrooms on my floor were cleaned regularly. Street noise from Broadway is real, and you'll get elevator queues at peak times
Pros:
Steps from campus, multiple elevators, decent lounges/study spaces, active community.
Cons:
Shared bathrooms, street noise, elevator bottlenecks at rush hours.

Comment:
Doubles are tight and you'll hear your neighbors. Bathrooms can get crowded in the evenings. If you value convenience and a lively hall, this delivers; if you're a light sleeper, bring earplugs.
Pros:
Extremely convenient, strong community, quick access to dining and classes.
Cons:
Small doubles, noise, shared-bathroom congestion at night.
